St. John's Safe Environment Class Information for Parents

The annual safe environment training for the Diocese of Syracuse will take place in our faith formation classes during the 2018-19 year. The lessons are all available at www.syrdio.org. The overall theme is that God created us and loves us. Topics at different grade levels include how to keep safe, adults to ask for help, bullying, how to deal with bullying, internet safety, building good relationships.

Please complete this form as part of the class registration

Thank you for your ongoing support in protecting and teaching our children.
